Registration

The senior citizen registration period begins the Friday before classes start. You may register online for classes at uaconnect.uark.edu or come to the Admissions/Registrar's office (Silas Hunt Hall) where there will be someone available to assist you in the enrollment process. The College of Arts and Sciences allows senior citizens to audit classes. If you are auditing a class in that college then you will need to contact the Registrar's office, and they will enroll you in the class. The phone number is (479) 575-5451. All other colleges require instructor's permission for audit prior to taking a class.
