ACADEMIC ADVISING & REGISTRATION

During orientation, all students will meet with academic advisors to discuss their fall schedule. Depending on your major, you may be pre-enrolled in 2-4 classes based on your degree requirements, your ACT/SAT/Accuplacer scores, or previous test or college credits earned. Please have all final transcripts and test scores sent for evaluation as soon as available. Regardless of the orientation session you attend, you are guaranteed classes that meet your degree requirements.

UNDECIDED ABOUT WHAT TO STUDY?

Unsure of what you plan to study? Do not worry, as academic advisors will be available to help you select courses that will benefit you regardless of the degree you end up selecting later.

All interested students are encouraged to review the MyMajors! tool at career.uark.edu/cdc/students/explorecareers/#mymajors to learn more about degrees at the University of Arkansas.
PARENTS & SUPPORTERS ATTENDING ORIENTATION

While not required, we strongly encourage parents and supporters to attend orientation with their student this summer. By attending orientation, you will have the chance to explore the academic and extracurricular opportunities available for your student, along with information specifically designed for parents and supporters to aid in their student’s transition to the University of Arkansas. If you decide to attend, note that parents and supporters will be with their student for the majority of the program and there is no secondary schedule for them to follow.

To register for orientation, simply arrive at check-in with your student. Pre-registration is not necessary. Overnight accommodations are not provided on-campus for guests, so please visit experiencefayetteville.com to view a list of local accommodations.

ORIENTATION & ENROLLMENT FEES

NEW STUDENT FEE
A mandatory fee of $95 will be applied to the account of any student who participates in orientation and/or enrolls in classes. This fee will be paid alongside their tuition for the following semester.

For more information regarding all student fees, such as the ID Card or First Year Experience fees, please visit treasurernet.uark.edu/tuition.

ORIENTATION GUEST FEE
For every person over the age of 12 who attends orientation with a student, a $50 fee will be applied to the student’s tuition statement the following term. This fee supports Parent and Family Programs within the Office of New Student and Family Programs. This office serves as the primary liaison between the University and Razorback families. They plan, develop, and implement specific events, resources, and services for families. By attending orientation as a parent or guest, you are considered a member of the Parent and Family Association.

TO-DOS FOR ORIENTATION AND ENROLLMENT
Be sure to review this list of required and suggested items for new students to complete.

IMMUNIZATION RECORDS (REQUIRED TO ENROLL)
The University of Arkansas requires all students to have two MMR vaccination records on file in order to enroll. Students are encouraged to submit their records at least 48 hours in advance of their orientation session. Not doing so can delay registration.

To submit your two MMR immunization records to the Pat Walker Health Center send via fax to 1-866-409-1980. Beginning May 1, 2024, students will also be able to upload their vaccination records in the Health Center's web portal. For instructions regarding uploading records to the portal, visit health.uark.edu/medical-health/aitclinic.php.

ACADEMIC RECORDS
Final ACT/SAT/Accuplacer Scores (REQUIRED TO ENROLL)
Although test scores may have been optional for your admission, please note that scores are required for course placement and enrollment during orientation. Scores can be sent via email to uofa@uark.edu or via an electronic filing service.

Final High School Transcript
Prior to the start of the fall semester, students must submit their final high school transcript to the Office of Admissions at uofa@uark.edu, via an electronic filing service, or by mail to:
232 Silas Hunt Hall
1 University of Arkansas
Fayetteville, AR 72701

Final high school transcripts are not required to attend orientation or enroll in classes.

Transfer & AP/IB Test Credit
Students who have in-progress or completed AP/IB or dual/concurrent college credit should submit their records to the Registrar’s Office as soon as they are available. Please visit registrar.uark.edu/transfer-and-test-credit for instructions on how to submit your records.

Transfer and test credit that is not yet available prior to your orientation will not hinder the enrollment process. Once your credit has been processed, any necessary adjustments may be made to your class schedule after orientation.
UNIVERSITY OF ARKANSAS STUDENT ID
Students will receive an email to their UARK account when they are able to submit a photo online for their student ID card. Keep an eye on your UARK email for the link to upload your photo and note the submission deadline. If you miss the deadline, there will be time to take your picture during orientation. Please bring a government-issued photo ID, such as a driver’s license or passport, with you to orientation as it is required to collect your card.

Any questions regarding online photo submission should be directed to the Campus Card Office at idcard@uark.edu or (479) 575-7563.

SPECIAL ACCOMMODATIONS
We want your orientation experience to be as enjoyable as possible. If you or your guests have dietary restrictions, mobility limitations, or need other accommodations, please reach out to nso@uark.edu prior to your session detailing your needs and we’ll be happy to assist you further.

OPTIONAL ONLINE PLACEMENT EXAMS
While not required, students have the opportunity to take an optional math or foreign language placement exam. Completing either exam may allow the student to enroll in higher level courses than their ACT/SAT/Accuplacer or previous course experience normally allows.

Visit fulbright.uark.edu/departments/math/undergraduate/placement or wllc.uark.edu/studio/resources/placement-exams.php to learn more.

UNIVERSITY HOUSING CONTRACT (REQUIRED BY MAY 1, 2024)
If you have not completed the housing contract or signed the “Live with Parent Exemption” form, please visit housing.uark.edu. Students are encouraged to check their UARK email and the University Housing Office website regularly for updates regarding additional contracting phases.
ON-CAMPUS OVERNIGHT ACCOMMODATIONS

2-DAY SESSION
Attending a 2-day orientation allows students the opportunity to spend the night on campus during their session at no additional cost. However, it is not required as we realize that some students may prefer to stay with their families.

Students who spend the night on campus will stay in Founders Hall, a community-style residence hall, which means that you will share a room with one other student and bathrooms are shared by others on the floor. Floors are designated by gender and students will not be able to request a particular room or roommate during orientation.

An email will be sent to your UARK account soon allowing you to opt-in to overnight accommodations. If you are unsure about wanting to spend the night or not, please complete the opt-in form because you can always change your mind when you arrive at orientation. **Walk-ins will be limited on a space-available basis during check-in and a room is not guaranteed.**

Students who are staying overnight on campus will have the opportunity to participate in an array of recreational opportunities hosted in the Health, Physical Education and Recreation (HPER) building the evening of Day 1. Please pack closed-toe shoes to wear if you plan to partake in these activities, as required by University Recreation.

Log into your New Student Center at appstatus.uark.edu. Your current orientation date will be listed under Registered: New Student Orientation.

To reschedule your session:
• Select Manage Your Registration
• On the next screen, select Cancel Registration and after the screen refreshes, follow the Return to your New Student Center link.
• It will now display a link to Register for New Student Orientation to select a new orientation date based on current availability.

Instructions for confirming or changing your orientation date can be found at orientation.uark.edu.

WHY DO MY FRIENDS SEE DIFFERENT ORIENTATION SESSIONS WHEN THEY LOG IN TO THEIR NEW STUDENT CENTER PORTAL TO RESCHEDULE THEIR EXPERIENCE?
This is most likely because you are in different academic colleges within the university. Each college can only accommodate a certain number of students at each session. Your college may be at capacity for that session, while your friends’ may still have openings.

I AM AN HONORS STUDENT, BUT I CANNOT ATTEND THE HONORS-SPECIFIC ORIENTATION SESSION OR THE SESSIONS ARE CLOSED. WHAT DO I DO?
Register for any open session that fits your schedule. You will have an opportunity to connect with the Honors College to get the support you need to be successful in the Honors program regardless of the orientation you attend. Regardless of the session you attend, you will be able to register for Honors classes your first semester.

CAN I GET ON A WAITLIST FOR A DIFFERENT ORIENTATION SESSION THAT’S CURRENTLY FULL?
Unfortunately, we do not maintain a waitlist. However, you can log into your New Student Center at appstatus.uark.edu.

• Click View List of Available Dates under Registered: New Student Orientation.
• Should a date be available that works for you, return to your New Student Center and click Manage Your Registration to reschedule.
I AM CONSIDERING CHANGING MY MAJOR. WHAT DO I DO?
When you arrive at check-in, we will ask you what you plan to major in. If you would like to change it at that time, please let us know.

WHAT IF I WANT TO DOUBLE MAJOR OR ADD A MINOR?
During academic advising, you can mention that you’d like to add an additional major/minor to your degree plan. Depending on the program and your academic college, they may help you amend your class schedule at that time or instruct you to wait until you register for spring classes.

HOW LONG DOES ORIENTATION LAST?
1-day sessions are expected to run from 8 a.m. to 5 p.m., and 2-day sessions will run from 3 p.m. on Day 1 through approximately 5 p.m. on Day 2. End times are approximate. Your actual end time will vary on your academic college, enrollment needs, and which optional sessions you attend.

I AM GOING TO BE IN FAYETTEVILLE FOR A FEW DAYS AROUND MY ORIENTATION. WHAT SHOULD I DO WHILE VISITING?
We recommend you utilize experiencefayetteville.com or northwestarkansas.org for activities and restaurant recommendations.

University Recreation is offering each student registered for orientation a free guest pass plus an additional pass for a parent, sibling, or supporter on the day before or after their orientation date.
