Academic Advising

If you are degree-seeking, you may need to meet with an academic advisor within your academic field/major to discuss college and departmental programs and to plan your course load for the semester. Advising holds are determined by a student's standing or classification and can only be removed by an advisor. Visit advising.uark.edu for more information.

Registration

The senior citizen registration period begins the Friday before classes start. You may register online for classes at workday.uark.edu or come to the Admissions or Registrar's office at Silas Hunt Hall for assistance. The College of Arts and Sciences allows senior citizens to audit classes. If you are auditing a class in that college, then you will need to contact the Registrar's office, and they will enroll you in the class. You can contact them at (479) 575-5451. All other colleges require instructor's permission for audit prior to taking a class.
