- Add if no contacts, edit for existing friends and Family under actions

From the Workday Home page:

1. Click the **Profile Icon** in the top right-hand corner of the page.
2. Click the **View Profile** button.
3. Select **Contact** from the 'Student Profile Menu'.
4. Select the **Friends and Family** tab.
5. Click the **Add** button.
6. Choose the appropriate **Relationship Type** from the dropdown list. If the you would like for this person to be granted third-party access check the **Is Third Party User** checkbox at this time.

Is Third Party User ☒

7. Enter the friend or family member's **First Name** and **Last Name** in the corresponding fields.
8. Select the **Contact Information** tab.

The screenshot shows a web interface with two tabs: 'Name' and 'Contact Information'. The 'Contact Information' tab is selected and highlighted with a blue underline. Below the tabs, there is a section titled 'Phone' which contains a rounded rectangular button labeled 'Add'.

9. Click the **Add** button and enter the friend or family member's contact information.
10. Click **OK**.
11. Click **Done**.

Note: To add a friend or family member you must add at least one of their contact methods. The three contact options are **Phone**, **Address**, and **Email**.

Yes	Actions ▼ Edit Friends and Family Manage Permissions for My Third Party Remove Friends and Family

3. Click **OK**.
4. Check the **Allowed** checkbox for all tasks for which you would like to grant the third-party access.

Task Name	Make a Payment
Description	This task gives access to make a payment on the student's behalf.
Allowed	☒

5. Click **OK**.
6. Enter a reason for granting this permission into the **Purpose of Waiver** field. For example: Giving my parent access to pay my bill.
7. Check the **Confirm** checkbox.
8. Click **Submit**.

Note: A friend or family member must be designated as a third-party user and have a valid email in Workday to receive third-party access. No one outside your institution can access your student records without having third-party permissions granted in Workday.

Note: In addition to allowing your third party to make payments in Workday, you will also need to add them as an authorized user with your institution's payment processing partner. For step-by-step support in adding the authorized user, refer to the [Add Authorized User to Make Payments QRG](#) for your institution within the 'Student Financials/Payments' section.

Add an Authorized Party to make a payment: Ecommerce

LOG IN TO YOUR PAYMENT ACCOUNT

To log in to your payment account, follow the steps below.

From the Workday Homepage:

1. From the Workday Home page, click the **Global Navigation Menu** in the top left corner of your screen.

2. Click **Financials Hub** within the 'Menu.'

The *Financials Overview* screen displays.

3. View the amount 'Due Now' and click **Make a Payment**.

The *Make a Payment* pop-up window displays.

By continuing, you'll be redirected outside of the Workday application.

Notice that you will be redirected outside of the Workday application to complete the payment. Your institution uses a system called Transact to process payments.

4. Click **OK**.

The *eCommerce Payment System* login screen displays.

5. Type in your institutional **User Name** and **Password** credentials.

A login form with two input fields. The top field is labeled "User name" with a small information icon to its right. The bottom field is labeled "Password". Both fields are empty and have a light gray background.

6. Click the **Sign In** button. You may see a 'Sign in with <your institution name>' button that you can also select.

The *Overview* page displays.

ADD AN AUTHORIZED PAYER

To add an authorized payer, follow the steps below.

1. Click **My Account** in the left menu.
2. Locate the *Payers* section and click **Send a payer invitation**.

A section titled "Payers" with a light gray background. Below the title is a text prompt: "Do you know someone that would like to help you pay? Invite them to have access to your account!". At the bottom of the section is a button with a plus icon and the text "Send a payer invitation".

The *Payer Invitation* pop-up screen displays.

Add an Authorized Party to make a payment: Ecommerce (Cont)

3. Type the payer's name and email address within the fields provided.
